Burglars not welcomed

B&Es: THE PERPS AND THE CRIME-SOLVERS

Thursday, March 12th

9:30 AM to 11 AM

at Wellfleet Senior Center

715 Old King's Highway in Wellfleet, MA 02667

Presented by two of Cape Cod's "professional" house breakers -- and a guy who helped nab them. You'll hear first, via specially produced video, from two men who have committed dozens of recent home breaks on the Cape. They'll be on tape because their home for the time being is the county jail in Bourne. So out of business -- at least for awhile.

Up next will be John Szucs, who currently runs the Bureau of Criminal Investigation in Barnstable Village. Under the direction of Sheriff Jim Cummings, a former State Police detective, investigator Szucs will examine the forensics utilized to bring these criminals to justice. It seldom happens quickly, of course, and can leave dozens of break-in victims frustrated and far from whole. ***It's why we're bringing you this presentation!***

will be served free of charge.
